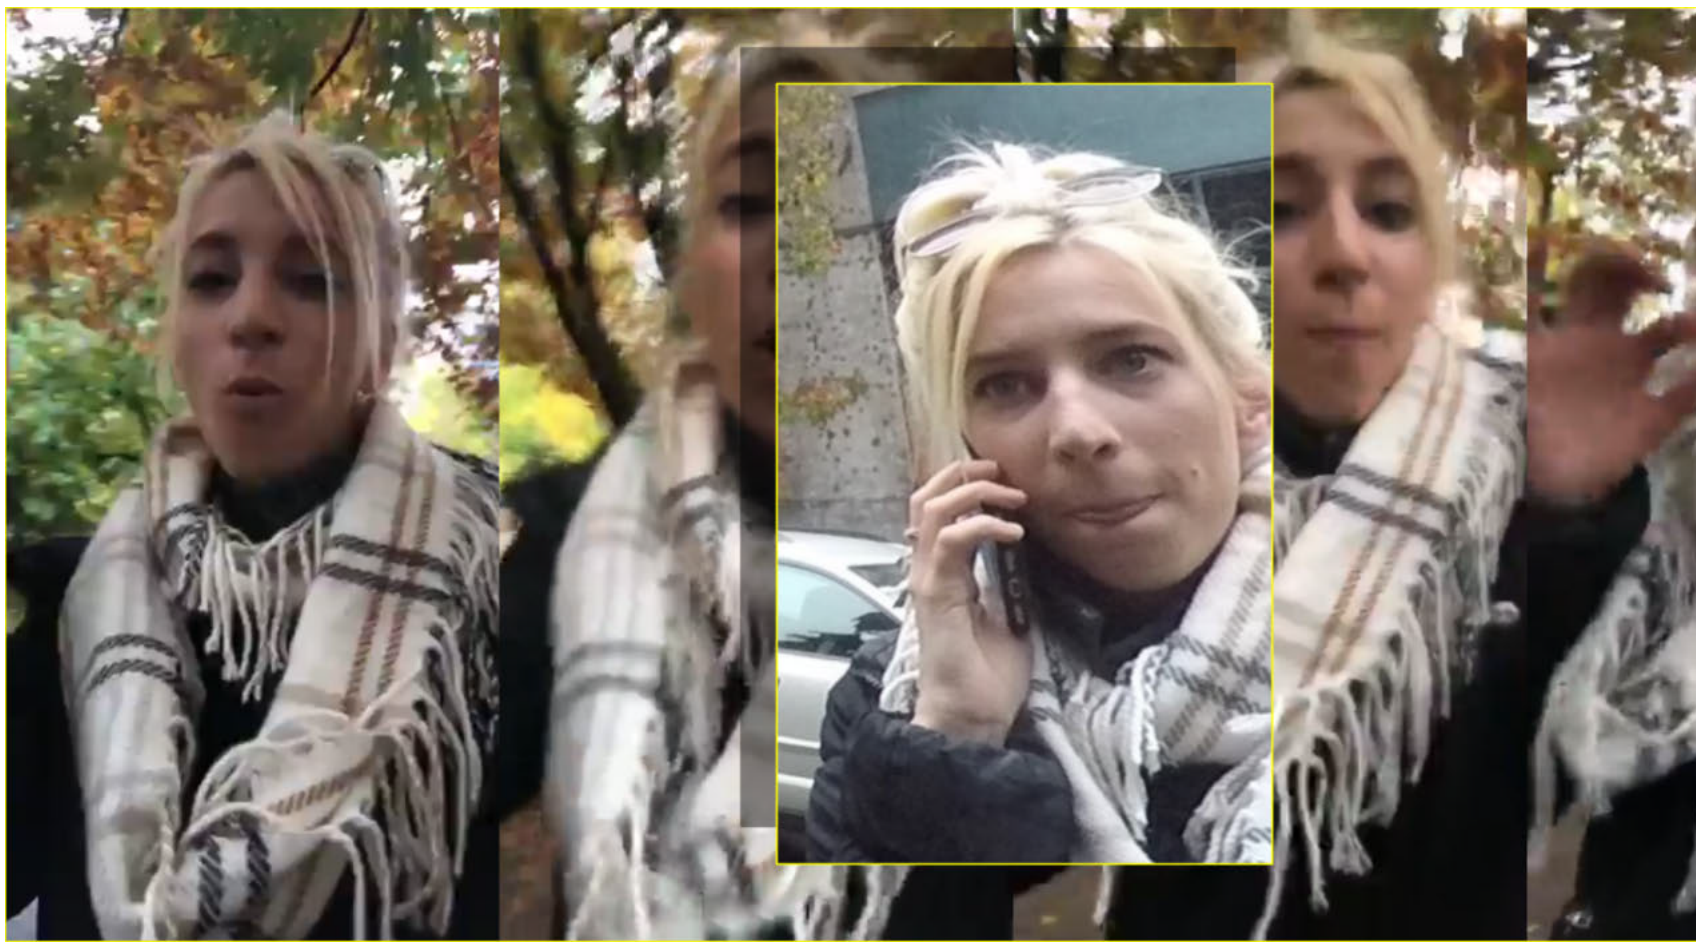
Haley Adams and HimToo - A Movement of White Nationalists and Rape Apologists

Published on Nov 05, 2018



On November 17, 2018, Patriot Prayer member Haley Adams is holding a misogynist and rape-apologist rally in downtown Portland, co-hosted by Patriot Prayer leader Joey Gibson, and Quincy Anatello (Quincy Lee Franklin), a member of the Christian extremist group the "Hell Shaking Street Preachers". Uniting the event's messaging under the hashtag #HimToo, Adams and Patriot Prayer are producing propaganda that pretends there is an epidemic of false rape allegations against men equivalent to or exceeding in volume and severity to the horrifying realities of sexual harassment, rape, domestic violence, and murder of women and non-men in our society. The violence and the reliable presence of neo-Nazis and other fascists at Patriot Prayer events has already been well-established by Rose City Antifa and other media outlets. In this article, Rose City Antifa will document a number of violent men with documented histories of domestic and sexual violence or violence against women, whom Adams specifically invited to her rally. Not only is the premise of a "him too" rally ridiculous on its face, the behavior of Patriot Prayer, Proud Boys, Street Preachers and other associated far-right and white nationalist groups, both on the streets of Portland and in their private lives, shows that they are the exact the sort of threat described by the concept of "rape culture."

Men are certainly also victimized by the sexual and domestic violence and rape culture. However, Haley and Patriot Prayer's usage of the #HimToo hashtag has overwhelmingly ignored the possibility that men might be victims of violence in favor of simply "triggering the libs," and publicly mocking and discrediting any claims of sexual violence. The event on the November 17 is sure to be one more iteration of right-wing public harassment from Adams, Patriot Prayer, and the Street Preachers, as they threaten, abuse, violate, dehumanize, and incite violence against marginalized people.

Haley Adams

Haley Adams is a white nationalist member of Patriot Prayer who made her first appearance with semi-organized far-right activists in Portland on April 29, 2017, when Joey Gibson exploited an anonymous letter in order to storm through Portland's Montavilla neighborhood with a number of fascists who threw roman salutes and left white supremacist graffiti in their wake. Jeremy Christian was one of the white supremacists who attended that rally, who less than a month later would murder two people and seriously wound a third, who attempted to stand in the way of him harassing two young Muslim women on a MAX train. Since that time, Adams has been a consistent presence at Patriot Prayer and Proud Boy events and struggled to transform herself into an alt-right celebrity.

In a stunning example of lackluster journalism, NPR recently ran a story on #HimToo which merely cited Haley Adams as a "Portland resident" who was organizing the rally, and provided absolutely no context about her long record of alt-right organizing, her overt racism and misogyny, or the violence her fascist friends have consistently perpetrated at rallies.

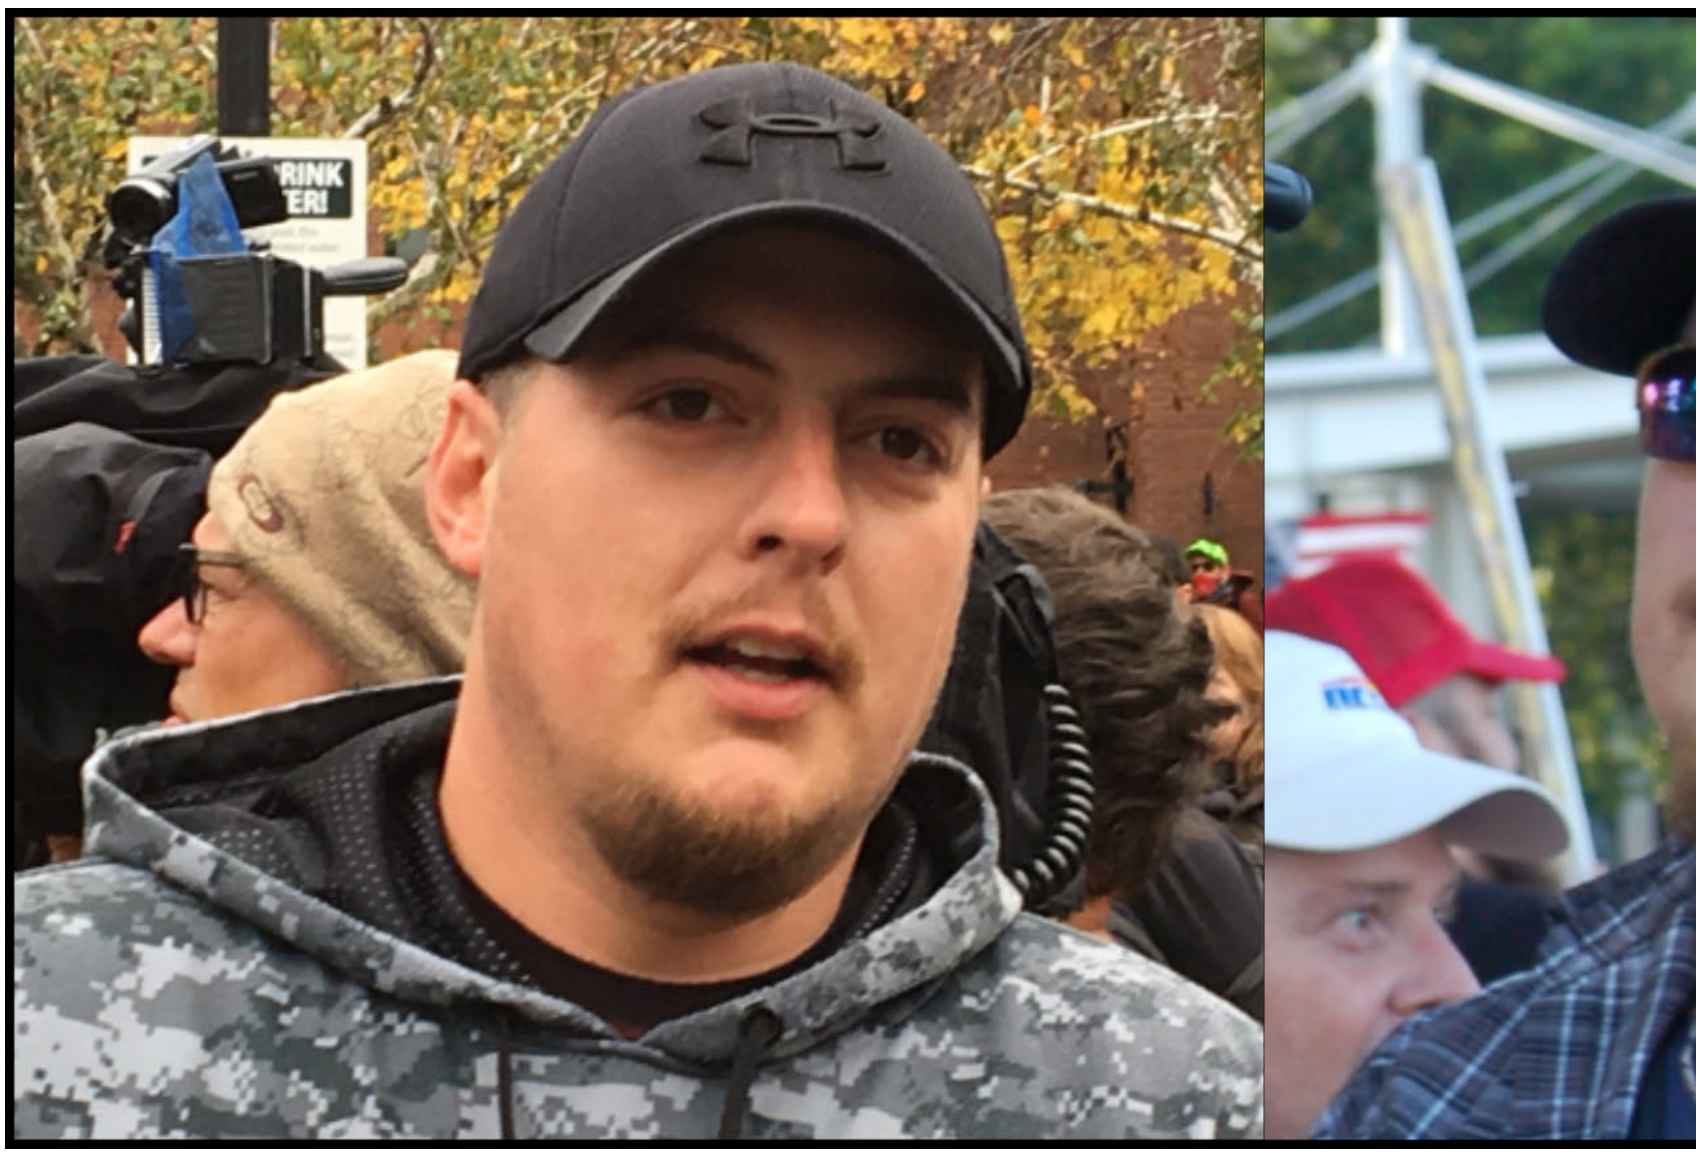
The Violent Misogyny of Patriot Prayer and the Proud Boys

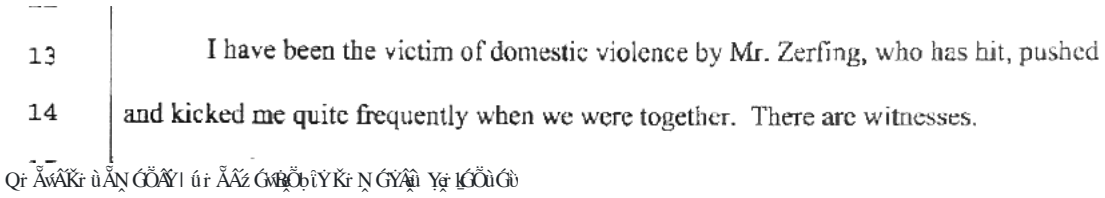
Adams’ rally purports to defend men who have been falsely accused of misogynist violence, but court records and other documentation clearly show that the people with whom she has spent the past two years rallying includes a number of men with histories of domestic and sexual violence.

Robert Zerfing



Robert Zerfing is a far-right Youtuber who has said that jeremy Christian acted in self-defense when he murdered two people. He has attended nearly all of Patriot Prayer events, traveling as far as California to make propaganda videos for them. He has also identified as a Proud Boy.

Court filings by one of Robert Zerfing’s former partners reveal him to be a domestic abuser who hit, pushed, and kicked her. Anti-fascist researchers also found two separate legal proceedings in which judges have ruled that Zerfing owed back child support that had not been paid to two different mothers of his children. Zerfing has long been a member of Patriot Prayer.



I have been the victim of domestic violence by Mr. Zerfing, who has hit, pushed and kicked me quite frequently when we were together. There are witnesses.

Tyler Smith

Doomsday Preppers actor and child-sex-offender Tyler Smith traveled with Patriot Prayer members to an NYC Islamophobic hate rally in 2017.

38	4	"We are the Marauders[64]"	November 13, 2013	N/A

Tyler Smith, the leader of the "Marauders" featured in this episode, was arrested and booked on two counts of second-degree unlawful possession of a firearm because he was a previously convicted child sex offender and was legally barred from possessing firearms.[61][62] During the episode, Smith also described his plans to commit armed robbery in the episode. Asked for comment on Smith's arrest, National Geographic issued a statement stating: "We are aware of the arrest, and have decided not to air this episode until all legal matters are sorted out."[63] The episode was eventually aired.

Nick Boling

In early February of 2018, Proud Boy Nick Boling was arrested in Washington state when he and a group of his obnoxious far-right bigot friends were asked to leave a bar and Boling subsequently assaulted a woman working there as a bartender. Autonomous anti-fascist activists in the Seattle area mobilized against Nick Boling's employer Boeing in October, 2018.

NARRATIVE:

BOLING, Nicholas S DOB [redacted] (A1) 5309 180th St. SW Lynwood, WA 98037 425-780-3501
[redacted]

On 2/3/18 at about 0030 hours Bellingham Police were dispatched to the [redacted] located at [redacted] in [redacted] an assault. Officers arrived and contacted the bartender, [redacted] and she advised officers that a group of men were being disorderly inside so she asked them to leave. One of the subjects who were among the disorderly crowd was later identified as BOLING.

BOLING became upset when he was asked to leave and came at her as if he was going to fight her and called her a "fucking cunt". He then spit on her. [redacted] was a witness to the incident. BOLING was later located and questioned. He advised police that he was treated unfairly inside the bar because of his political beliefs and that is why they kicked him out. He denied spitting on anybody inside. BOLING was arrested and booked into the Whatcom County Jail for Assault IV.

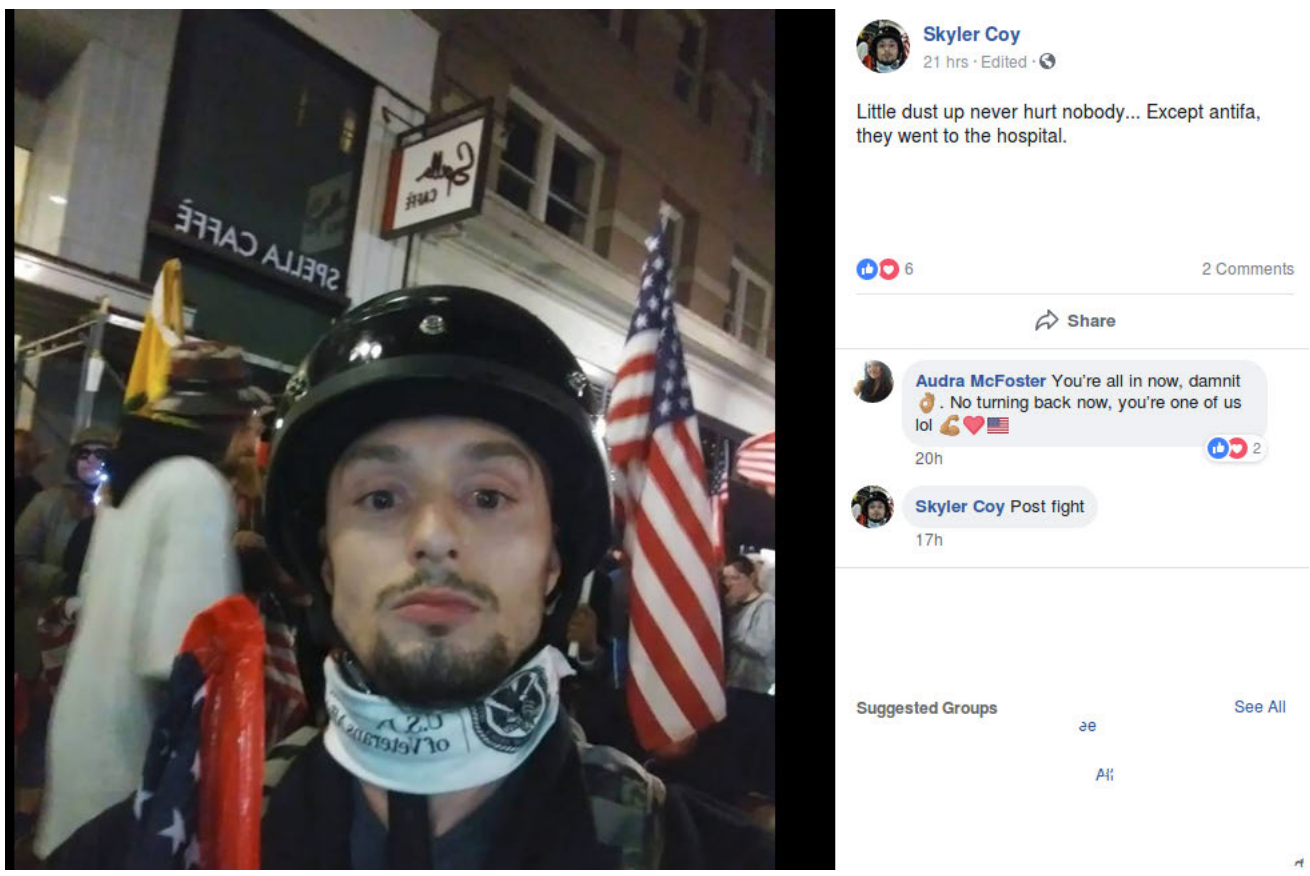
Skyler Coy



A relative newcomer to the Patriot Prayer organization, Skyler Coy heeded Joey Gibson's October 13, 201 call to harass and assault activists who were holding vigil for Patrick Kimmons after he was shot to death by the Portland Police. Coy also has a history of domestic violence.

Tusitala “Tiny” Toese

As one of the most infamously violent members of Patriot Prayer and the Proud Boys hate group, Joey Gibson's right-hand-man, Tiny Toese has repeatedly bragged about his history and willingness to assault women.

Here is a pic of a Portland ANTIFA cunt who surely was threatened with bodily harm and that cunt felt so threatened she had to assault people from 15 feet away. (SARCASM)
They(antifa) does this shit at every rally.
There is a breaking point and you can only be assaulted so much untill you have no choice but to fight back.
ANTIFA motto and mantra is by any means necessary.
Well by this photo you can clearly see harming others is their means.
If that cunt terrorist did that to a cop that bitch would be shot dead where she stood with out prejudice.
Far as I'm concerned what ever happens to little black dressed face covered communist is on them and they deserve what ever happens to them as a reward for thier ideological madness and physical assaults.

Patriot Prayer follower Sean Wade regularly uses facebook to issue graphic threats and calls for violence. Here we see him advocating extreme violence against a woman being harassed by an alt-right troll on twitter, and also calling Christine Blasey Ford an "enemy of the people" and a "lying c*nt"._

HimToo Inspires Violent Misogyny, Death Threats from Patriot Prayer Followers

Patriot Prayer follower Joshua Stephen Sentelle only joined their ranks relatively recently, but has a facebook presence in keeping with other violent and unhinged Patriot Prayer followers, often posting live videos in which he fantasizes about enacting graphic violence or complains about "hoes" on Instagram. Sentelle was filmed throwing a Nazi salute (commonly called a "sieg heil") and calling activists the N-word at Joey Gibson's June 30, 2018 hate rally in downtown Portland before he also participated in beating anti-fascists alongside Proud Boys and other fascists in attendance.

More recently, Sentelle has adopted the rhetoric of Haley Adams' #HimToo movement, complaining about "false rape allegations" and fantasizing that "I just wish somebody would falsely accuse me of rape, because I would show 'em what the fuck's up," before concluding "Women are like "Oh, we're oppressed," no you're not, you can say shit at face value even if it's a lie and you're gonna be

Despite his hollow platitudes to the contrary, Gibson has welcomed and encouraged racist, homophobic, misogynist, and otherwise reactionary violence at his events. Gibson's deputization of Haley Adams to spearhead a rape-apologist rally in the wake of the disgusting spectacle of Brett Kavanaugh's supreme court confirmation presents one more instance of Patriot Prayer's general practice of facilitating organized hate.
